CentOS 8 To Be Released Next Week

By *Roy Schestowitz*

Created 17/09/2019 - 12:53pm

Submitted by Roy Schestowitz on Tuesday 17th of September 2019 12:53:38 PM Filed under [Red Hat](#) [1] [Server](#) [2]

The CentOS Project has announced that CentOS 8.0 will be available for download beginning Tuesday, September 24. This release was deferred so that work to release CentOS 7.7 could be completed, which means that CentOS 7.7 will be out shortly as well (and 7.7 it is already beginning to appear in mirrors and repos). This comes 20 weeks to the day from the release of Red Hat Enterprise Linux 8.
